## PLEASE NOTE

-  If you do not have some or all of the required documentation (such as an itemized bill or police report), you may still submit a signed application to begin the claim review process. Your claim will be incomplete and we will follow up with you for the additional documents that are needed.
-  You may also submit an application even if there is no known offender. While the incident must be reported to law enforcement or an investigative agency (DFCS, APS, the courts, medical authorities, or the school system), arrest and/or prosecution of an offender is not a program or eligibility requirement.
-  In addition to mailing your **Complete Application Packet**, you may also fax or email it to start a claim, but we will require an application with your original signature in order to fully process your application. You may also bring the Complete Application Packet to our office.
-  You may be asked to complete a medical release form when requesting medical or counseling benefits. Submitting the release with your Complete Application Packet may expedite processing.
-  We are the payor of last resort. We cover expenses not paid by insurance, including Medicaid/Medicare or other monetary resources.
-  Benefits received are based on actual eligible expenses and itemized bills must be submitted with your application for review.
